WHAT KIND OF DAY

**Outside my window, a new day I see, And only I can determine What kind of day it will be.
It can be busy and sunny, laughing and gay, Or boring and cold, unhappy and gray.**

My own state of mind is the determining key, For I am only the person I let myself be.

I can be thoughtful and do all I can to help, Or be selfish and think just of myself, I can enjoy what I do and make it seem fun, Or gripe and complain and make it hard on someone,

I can be patient with those who may not understand Or Belittle and hurt them as much as I can.

But I have faith in myself, And I believe what I say And I personally intend to make the most of each day.
